A = Superior B = Good C = Needs improvement D = Poor F = Failing NG = No Grade

Report Card on Christian and Pro-Family Organizations On K-12 Christian Education /Home Schooling

The purpose of this report card is to rate how effectively Christian ministries and organizations are supporting K-12 Christian education or Christian home schooling. This is only a partial list of some major Christian organizations, most of which are engaged in the culture war. These were selected because they have “family,” education or youth in their organization name or as part of their mission.

The following six raters studied programs, publications and web pages of the ministries and organizations rated. In some cases they have supported and participated in the programs of these organizations. They considered performance over several years and looked at contributions or lack there of in support of K-12 Christian education or home schooling.

Robert Dreyfus, DDS Ret.; FL State Coordinator for Exodus Mandate Project

David and Kim d’Escoto, B.S.; (David) President of *Dexios, Inc.*; (Kim) 4 years as public school and Christian school teacher; co-authors of *The Little Book of Big Reasons to Homeschool* and companion study guide
