ABOUT EXODUS MANDATE

Exodus Mandate is a special outreach of Frontline Ministries, a 501(c) 3 tax-exempt, non-profit organization. It is dedicated to promoting spiritual renewal at the grass roots of our culture, society and local churches. This is accomplished by helping families rescue their children from the spiritual wasteland of state-run, anti-Christian schools. It promotes an alternative education through home schools or church-based Christian schools. Frontline Ministries was organized in 1994 as a non-sectarian, evangelical mission to serve the needs of the whole Body of Christ.
